From: Esther Miranda PhD. – Principal, SACS  
Subject: Electives planned for Middle School

Parents,

In order to provide our students with more choices to meet different interests, we are in the process of expanding our Middle school elective offerings. This letter is to seek input, it is NOT for sign up!. We need to know student interest in order to gauge potential class sizes, and plan schedules.

Please discuss the following electives with your student and give us your feedback. Based on the response additional electives will be offered for this coming school year 2010-11. **Please fill in/sign and return to the front office the lower portion of this letter by Friday July 09.** Sign up for classes will take place at school between July 16-28 from 10am-12pm.

Please email me at [emiranda@stanthonyusa.org](mailto:emiranda@stanthonyusa.org) and let me know if you have questions, comments or suggestions. We look forward to your participation and support.

Sincerely,

Esther Miranda, PhD.
